

LEEVAYLE KINANGA

Web Developer

+254 748 673 538

leevayle@protonmail.com

<https://leevayle.github.io/resume/>

PROFILE

Front-end developer skilled in HTML, CSS, JS, React & Node.js. I build user-friendly applications and designs, boosting website traffic (e.g., 20% increase via social media marketing). I thrive in collaborative environments with excellent communication and teamwork skills. Motivate colleagues and keep projects on track and on time delivery.
